SUBJECT

Payment of Darrees allowance to the retired employees of the Hassan D-Bn

The following is the extract of paras 83 and 84 of the notes of the file No. S & A 9-44-3 re the payment of Dearness Allowance to the pensioners who draw their pension wholly from Local Bodies such as Cities and District Boards — on the proposal made by the Comptroller in his letter No 37/Pen dt 31/7/44:—

1) Extract from the Comptroller's letter:—

I have the honour to request you kindly to obtain orders of Govt in regard to payment of D.A to the following class of pensioners:—

2) Pensioners who draw their pension wholly from local bodies, such as Cities and Dist Boards.

3) Extract from the notes of the file.—

As regards the cost on this account, the local bodies will have to meet the cost logically, but it is doubtful if they will agree to this or are in a position to meet it and whether they can be compelled to do. The Legal Branch may be consulted. If the relief

1104. Grant of allowances to the [illegible] of the local bodies is considered as a general measure relief, the question of [illegible] cost out of general revenues as a matter of grace may be considered if the local bodies are unable to meet the charge

7) It seems that there is an order to the effect that the cost in respect of Dearness Allowance paid to the all pensioners who draw their pension from the pool or from the Local Bodies partly or wholly, should be debited to the general funds. If so the first branch may be requested state whether there is an order to that effect or not, in the first instance (A copy of the grant of D.A to the pensioners may also be kindly furnished by that branch)

10) There is no G.O. directing the payment of dearness allowance to the employees of the Local Bodies from the General Revenues ~~If so, the present question would not have arisen~~. But such of the employees of Govt whose services were lent to the Local Bodies are allowed dearness allowance, the entire cost being borne by Govt.

The collection relating the grant of Dearness allowance to the retired employees of Govt (G.O.No.A 154-43-) may be obtained from the General Records A copy of G.O dated 18/5/44 granting D A

11) Subject:-

This relates to the question of debiting the cost in respect of the Dearness Allowance to be paid to the pensioners of ~~the Local Bodies~~ who draw their pensions entirely from out of the funds of the Local Bodies in the State

12) In pursuance of ~~18~~ X 5-1944, sanction was accorded to the payment of D.A. to certain retired employees of Govt: ~~at the rates~~ as stated by the Finance Branch at pages 1/c of the cases that such of the retired employees of Govt ~~whose services~~ Where services were lent to the Local Bodies are allowed D.A, the entire cost being borne by Govt

13) Now the question for consideration is ~~whether~~ as to who should bear the cost of D.A. to be paid to the retired officials of the Local Bodies i.e. Where pensionary charges are met out of the

X A (S+A. 154 43

grant of D A - to pensioners of Local Bodies -

funds of the Local bodies the comptroller seeks orders in the matter.

14) In this connection, it may be stated that the financial position of most of the Local bodies, as seen from the sanctioned budgets, is unsatisfactory. The Local bodies, on account of their bad financial position, are not at all prompt in discharging their dues to the several departments of govt. There is an all round increase in the expenditure of these bodies on account of the present unfavourable conditions. ~~due to~~ and ~~they~~ they may not perhaps be able to bear further strain on their expenditure in this respect.

15) In the above circumstances, the cost of D A to be paid to the pensioners may also perhaps be borne by govt, as in the case of other pensioners. The Finl Secretariat may be consulted

D.A to pensioners.

17) It is necessary to know, in the first instance, what the proposal if sanctioned, would cost the local bodies as the Dist. Boards & the Municipalities (exclusive of pensioners). Hence the Comptroller will be requested to furnish a detailed statement of such pensions for each local body separately and the amount which each such body would have to spend if the G.O. dated 10.8.64 is made applicable to them. Unless this amount is exactly known, it would not be correct to call for the views of the local bodies as to their consent for the extension of the scope of the above G.O. to the pensioners who draw their pensions entirely from local bodies (vide para 2 of the letter from the Comptroller under reference) as applications will be addressed to the Govt. by the Accountant General.
